NEI Funding Opportunity Announcement (FOA) Flow Chart

This flow chart provides information that will help you identify the correct FOA to use for your research project. For any additional questions, please contact your program director.

Does the project include human subjects?

Is the project defined as a Clinical Trial?

Is the project a Mechanistic or Minimal Risk trial?

Use the applicable NIH "CT Not Allowed" Parent FOA:
- R01 (PAR-19-056)
- R21 (PA-19-053)
- R15 (PAR-18-714)

Use the NEI UG1 FOAs:
- Coordinating Center (PAR-18-521)
- Resource Center Grant (PAR-18-522)
- Chair's Grant (PAR-18-523)

Use the applicable "Clinical Trial Optional" or "Clinical Trial Required" FOA:
- R01 (PA-18-351)
- R21 (PA-18-500)
- R15 (PAR-19-133)
